TRADING VS INVESTMENT

www.tboatclub.com

info@tboatclub.com

DIFFERENT APPROACHES. ONE GOAL: **FINANCIAL FREEDOM.**

Both trading and investing can build wealth — but the mindset, approach and time horizon are different.
At T Boat Club, we help you master trading and make smarter investment decisions.

TRADING

Capture Short-Term Opportunities

- Short-term time horizon (Minutes to Days)
- Active approach with frequent decisions
- Leverage & advanced tools
- Focus on price movements & market trends
- High potential returns in short time
- Higher risk & requires discipline

Best For: Active individuals who enjoy analysis, fast decisions & market opportunities.

- Long-term time horizon (Months to Years)
- Passive approach with strategic planning
- Lower risk & stable growth
- Focus on value, fundamentals & compounding
- Wealth grows steadily over time
- Lower stress & more patience required

Best For: Individuals who prefer stability, long-term growth & financial security.
